

Resident/Fellow Awards and Achievements

1. National Awards

AAP National Conference & Exhibition 2020

- a. AAP SOPT Anne Dyson Advocacy award: **Issa Hanna, Marwa Mansour**

Lost in the Haze: knowledge and practice gaps for vaping versus tobacco smoke exposure

- b. AAP Section on Tobacco Control, 2020 Tobacco Trainee award: **Issa Hanna**

- c. SOPT Clinical Case Reports: **Issa Hanna**

Severe necrotizing pneumonia in a teenager with a history of vaping

2. Regional

- a. FCAAP Annual Meeting, Orlando, September 5, 2020

Research abstract, First place award recipient- **Issa Hanna, Marwa Mansour**

Lost in the Haze: Knowledge and Practice Gaps for Vaping versus Smoke Exposure

- b. Tobacco Free Florida: Outstanding Community Champion Award, November 2019-
Issa Hanna

- c. Physician Champion Tobacco Free Florida, St Augustine, January 2020-**Issa Hanna**

- d. 2019 John Curran Quality Improvement Award: given to a FL delivery hospital for a major perinatal QI endeavor resulting in a measurable and sustained positive change. PI: Josef Cortez MD, Division of neonatology UF, Jacksonville. Resident participants: **Adriana Pena-Ariet, Rita Hazboun, Rima Dababneh, Colleen Timmons.**

- e. FCAAP Annual Meeting, Orlando, August 31, 2018

Oral presentation, 1st place award recipient for Best Overall and Best QI Abstract-**Nawal Merjaneh**

Role of Donor Milk Supplementation in Newborn Nursery Level 1 in Improving Exclusive Breastfeeding Rate at Six Months of Life.

This project was also presented as a poster presentation at the Vermont Oxford Network meeting, Chicago, IL, September 22, 2018 and AAP NCE, Orlando, FL, November 2-6, 2018

f. FCAAP Annual Meeting, Orlando, September 1, 2017

Poster presentation, 1st place award recipient- **Jennifer Andrews**

Utilization and timing of skeletal surveys for suspected child abuse cases

Poster presentation, 2nd place award recipient- **Bianca Pinto**

Building a comprehensive system of care for LGBTQIA+ children and youth

g. Southern Regional Meeting, Academic Pediatric Association, New Orleans, 2016

Oral Presentation February 2016, 1st Place Award Recipient- **John Sarandria**

Sarandria J, Dudek C, Viorritto E, Shah C. Diagnostic Challenge: 14 year-old girl, a congenital malformation, and a devastating underlying disease.

3. Local

a. Northeast Florida Pediatric Society

Derrick Owens - Resident of the Year 2019

Heidi Vander Velde- Resident of the Year 2018

Sara Largen- Resident of the Year 2017

b. Duval County Medical Society (DCMS), Resident Research Awards

Canas A, **Jha K**. Visceral Adipose Index (VAI) Can Accurately Predict Markers of Cardiometabolic Risk in Children. 2017

Shaheen Award-Clinical Report Category

Amr Matog- Anti-NMDA-receptor antibody encephalitis in infants "Epilepsy & Behavior Case Reports. 2016

Shaheen Award-Review Category

Fernando Rudas-Bula- Salmonella Infections- review article published in Advances in Pediatrics-pediatric infectious diseases fellow. 2016

4. Institutional Awards

University of Florida Russo Award for Outstanding Professionalism in Medicine finalist 2021 – **Brett Murray**

University of Florida COM Excellence in Student Education Award finalist 2021 – **Brett Murray**

University of Florida Outstanding Resident Teacher finalist 2021 - **Marwa Mansour**

University of Florida Outstanding Resident in Quality and Patient Safety finalist 2021-**Issa Hanna**

University of Florida, Society of Teaching Scholars Outstanding Resident Educator Award 2021-**Rudolph Wells**

University of Florida, Society of Teaching Scholars Outstanding Resident Educator Award 2020- **Brett Murray**

University of Florida, Society of Teaching Scholars Outstanding Resident Educator Award 2019-**Veronica Vidal Diaz**

University of Florida Outstanding Resident in Quality and Patient Safety 2018- **Nicolas Chiriboga**

University of Florida, Society of Teaching Scholars Outstanding Resident Educator Award 2018-**Michael Haynes**

University of Florida, Ann Harwood-Nuss Resident Advocate Award 2017- **Douglas Shapiro**

University of Florida, Society of Teaching Scholars Outstanding Resident Educator Award 2017- **John Sarandria**

University of Florida Russo Award for Outstanding Professionalism in Medicine finalist 2017-**Amr Matoq**

University of Florida Outstanding Resident in Quality and Patient Safety finalist 2017- **Amr Matoq**

University of Florida, Celebration of Medical Education, June 2017. **Chiriboga Nicolas**, Cortez J. 3rd Place Poster competition. Successful Reduction of Moderate-Severe Intraventricular Hemorrhage (IVH) Using an IVH Bundle: A Quality Improvement (QI) Project.

University of Florida Annual Research Day, 2017. **Tiffany Lee, Jelena Shadick**- 6th place Platform presentation-Comparison of neonatal type and screen results from placental vs heel stick draws

University of Florida Annual Research Day, 2017. **Ankita Taneja**- 3rd place Poster competition- Comparison of conventional and NAVA ventilation in preterm infants less than 32 weeks gestational age.

University of Florida Annual Award for Excellence in Patient Care and Quality, 2016- **Jennifer Rammel**

University of Florida Edwards Jelks Outstanding Resident Clinician, 2016- finalist- Jennifer Rammel

University of Florida Excellence in Student Education, 2016- Martins Chima Matthews

University of Florida Best Resident Teacher in Pediatrics, 2016- Tamara Brooks

University of Florida Annual Research Day, 2016- Danish Vaiyani, 1st place award Platform Presentation- Using the It Ratio to Screen for Early Onset Neonatal Sepsis - Is There a Better Way?

University of Florida Annual Research Day, 2016- Laura Stunja, 6th place Platform presentation- Use of an oral dextrose gel for neonatal hypoglycemia in the newborn nursery.

University of Florida Annual Award for Excellence in Patient Care and Quality, 2015- Leigh Bragg, MD, pediatric infectious diseases fellow

University of Florida Dean's Research Grant

Amr Matoq (PGY3) – July 2016 to June 2017

Title: Dexamethasone vs Prednisone in Children hospitalized with asthma. (Open label, Randomized Control study).

University of Florida Dean's Research Grant

Tiffany Lee (PGY2) – July 2016 to June 2017 Title: Prevalence of Asymptomatic Cytomegalovirus (CMV) Infection in Newborns in Northeast Florida
